changes

About refunds. They're not that exciting but pretty important, especially if you're buying a gift and aren't totally sure if you've picked just the right thing. Our comforting **28 day return policy** gives you plenty of time to change your mind, however busy you are. You can bring back unopened items for an exchange or full refund in any store. If you shopped online, you can post returns back to us if it's easier.

If you're present-shopping and you're really not sure, why not **go for a gift card?** They're guaranteed to make a birthday boy or girl's day.

points

With a **GAME Reward Card**, you earn 10 points for every £1 you spend in store or online, and even more with our special bonus point offers on selected items. **With every 1,000 points you collect, you earn a saving of £2.50 off your purchases** - in store or online. Or you could save your points up for a big splurge.

Whatever you choose, it means you **pay less** than customers without a GAME Reward card. Plus you get **exclusive member discounts**, previews and game news to keep you up to speed.

over?

Don't let your old games gather dust at home. **You could be sitting on a little goldmine.** Instead, when you've finished a game or just fancy a change, bring it in and we'll tell you what it's worth.

Accept our offer and we'll give you a choice of ways to take the money. If you're in a spending mood, we can knock it off the price of another item immediately. If not, stick it on a **gift card for a future purchase**, or we'll put it **straight in your pocket in cash**. Spend or save - it's up to you.
